

Objectives:

1. Login and check what classes you have coming up in the next week
2. View the calendar to see what assignments are due this month and what tests are coming up
3. Sign out and close the application

Person 1:

Positives

1. "The homepage looks very clean and shows all the essential information."
2. The login screen and class schedule screens are both very easy to navigate and use.

Negatives

1. There isn't a return button everywhere so it can be hard to go back to the homepage
2. There is no sign out button which is problematic

Person 2

Positives

1. The sign in screen was very easy to use and the homepage looks very neat.
2. Lists all classes in the schedule portion of the app. Which is very neat.

Negatives

1. The Assignments due screen doesn't list a specific time when the assignment is due
2. There isn't an option to click on the calendar and view the different assignments. Also, no sign out button, and no return key on the calendar screen.
